

**Mr. Massimo Cruciotti**

Mazzini Lab srl Benefit - CHARISMA  
Italy

Massimo Cruciotti has over 25 years of experience in the archival sector and has served as a consultant for BUCAP Spa, a document management services company, for the past 20 years. His expertise spans several sectors, including corporate, finance, industry, and public administration.

Following the 2009 earthquake in L'Aquila, in response to the need for specialized guidance in retrieving and preserving archival heritage and libraries, he co-founded the non-profit organization SOS Archivi with a group of entrepreneurs. He was appointed Secretary of the Association and, in 2014, was elected President, a role he continues to hold.

Since 2013, he has been a member of the Cultural Heritage Committee of the Italian National Biologists Order (ONB - Ordine Nazionale dei Biologi). In 2017, he also became a member of the Blue Shield Expert Network.
